Volunteer Work / Competitions

IEEEXtreme 15.0 Student Ambassador   *June 2021–Oct 2021*
Riyadh, Saudi Arabia, Region 8

- Volunteered and helped prospective programmers prepare for this annual global programming competition which hosted over 12,900 participants worldwide in 2021.

- Arranged workshops and training sessions, outlining clear and concise schedules and contents of topics to be covered, guiding participants through challenges and assisting members with information related to IEEEXtreme.

ACM Programming Jam 6.0 Competitor   *March 2021*

IEEEXtreme 14.0 Programming Competition   *Oct 2020*

- With more than 7,300 participants world-wide, this competition allowed me to further understand the process of decomposing a complicated problem into smaller challenges and proposing solutions.
